Government of India Notifications relating to Rules, Regulations and Orders and Resolutions (other than the Ministry of Defence)

OFFICE OF THE SECRETARY TO HIS EXCELLENCY
THE GOVERNOR GENERAL

New Delhi, the 22nd November 1949

No. F.2(15)-G/49.—The King has been graciously pleased on the advice of His Majesty's Indian Ministers to award the King's Police and Fire Services Medal for gallantry to the undermentioned officers of the Patiala and East Punjab States Union and East Punjab Police:—

Name of the officer and rank.—S. Mehar Singh Grewal (deceased), Assistant Superintendent of Police, Patiala and East Punjab States Union.

Statement of the services for which the decoration has been awarded.—Jangir, a notorious and dangerous dacoit, resident of village Julal was wanted by the Patiala and the East Punjab States Union Police in connection with a number of cases of dacoity and murder. His victims included a number of policemen who were killed in attempting to effect his arrest. The Nabha Police had offered a reward for his apprehension.

On receipt of information that Jangir was hiding with his family at a place in Bikaner, a police party was organised under the leadership of S. Mehar Singh, Assistant Superintendent of Police and despatched on the 3rd December 1948. They reached the place of his hiding, which was a sugarcane field, and formed themselves in extended order. Seeing the police, Jangir took cover behind a tree 200 yards away and opened fire which was returned by the police party. Sardar Mehar Singh who was directing the operation and also watching the movements of the dacoit exposed himself to considerable risk. The dacoit took advantage of this and fired at S. Mehar Singh wounding him in the head. S. Mehar Singh ultimately succumbed to his injuries. Inspired by his gallantry the rest of the police party continued firing and killed Jangir. Among other things a '303' magazine rifle, a '38 bore revolver, a hand grenade and a large quantity of ammunition were recovered from the person of the dacoit.

S. Mehar Singh had a brilliant record of service and was a holder of the Indian Police Medal. In this encounter he showed leadership, devotion to duty and conspicuous gallantry of a very high order.

Name of the officer and rank.—S. Gurinder Singh Dhaliwal (deceased), Sub-Inspector of Police, Patiala State.

Statement of services for which the decoration has been awarded.—Mewa, a notorious dacoit, resident of village Mimsa, District Suam in the Patiala State, had for long cast a spell of terror in and around the locality. On the 20th May 1948 information of the presence of this dacoit in village Bhadalwad was received at Police Station, Dhuri. Sub-Inspector Gurinder Singh along with three constables proceeded immediately to the village. On the way he learnt that the dacoit was armed and was resting on a cot in front of a hut in a small orchard. Detailing a foot constable to guard against the dacoit's escape from the rear, Sub-Inspector Gurinder Singh advanced towards the spot and noticing the cot empty, set out to comb the bushes close by. A little ahead of the police party was a low-lying area and a little beyond on the incline was a 'Beri' tree behind which the dacoit had taken position. Sub-Inspector Gurinder Singh and party advanced towards the incline. Mewa, the dacoit, finding himself in a difficult position started firing. One of his shots hit the Sub-Inspector in the thigh injuring him badly. In spite of the serious injury, which later proved fatal, the Sub-Inspector returned two quick shots killing the dacoit outright. On the body being searched a country made '303' rifle, a country made '12 bore pistol, 2 hand grenades and other ammunition were recovered. The Sub-Inspector who was now fast sinking was taken to a Gurdwara close by to offer his last prayers and a short while later expired.

Throughout these operations against a desperate and dangerous armed dacoit, Sub-Inspector Gurinder Singh showed exemplary leadership, presence of mind, and courage of a very high order.

Name of the officer and rank.—Shri Ram Lal (deceased), Foot Constable No. 243, of the Jullunder District.

Statement of services for which the decoration has been awarded.—On the 8th January 1949, Foot Constables Ram Lal and Bawa Singh were assigned the task of obtaining information about the whereabouts of Salamat Rai, a notorious character of village Uppra and Sohan Singh alias Sohni, a dangerous outlaw of village Musanian. They contacted an informer in the house of Dr. Gurcharan Singh, and while there, received information that two strangers had arrived at the house of the informer and were inquiring after him. While Foot Constable Bawa Singh stayed on at the Doctor's house, Foot Constable Ram Lal along with two chowkidars proceeded to the informer's house. Though the Constable and his party

had no idea who the two persons were, they felt suspicious and so boldly caught them and started taking them towards Dr. Gurcharan Singh's house. On the way one of the two suspects, who was later, ascertained to be Sohan Singh *alias* Sohni, suddenly whipped out a loaded pistol, fired at Ram Lal and ran away along with his companion. Though badly wounded in the chest, Ram Lal gave chase disregarding his own safety, overtook and grappled with Sohni. Sohni's companion who later on was found to be one Karnaila, a desperate character of village Kangrian, struck Ram Lal with a kirpan on the neck, but in spite of this blow, Ram Lal kept hold of Sohni who was trying to reload his pistol. Foot Constable Bawa Singh who had stayed on in Dr. Gurcharan Singh's house heard the first revolver shot, and came to the rescue of Ram Lal. Though Bawa Singh was unarmed he acted so courageously that the other villagers who upto then had not dared to come to the help of Ram Lal, now took courage and charged the two culprits with lathis, ballams and kirpans. Sohni and Karnaila tried to use their weapons but were overpowered by the attack led by the two Constables and were killed. Their kirpan, pistol and 4 live cartridges were taken possession of.

Foot Constable Ram Lal was removed to Dr. Gurcharan Singh's house where medical aid was given. His injuries, however, were of such a grievous nature that he succumbed to them.

Foot Constable Ram Lal acted with outstanding courage, determination and devotion to duty in the face of great personal risk.

These awards are made for gallantry under regulation 6(a) of the Regulations governing the grant of the King's Police and Fire Services Medal and consequently carry with them the special allowance admissible to officers of and below the rank of Inspector of Police.

In other words, yarn weight in both warp and weft of any cloth shall be worked out on the counts of yarn used in the cloth and the 5 per cent. allowance for wastage and coarseness should be added.

(ii) For the purpose of linking and the calculation of yarn weights, the counts adopted should be the same as those indicated in the approved production programme of the mills. Calculations on fractions of counts shall not be permitted.

(iii) Weight of weft should be calculated on the actual loom state length and not on the finished length of the piece.

4. The basic realisation multiplier should be adjusted, wherever necessary, in the following manner:—

(i) The allowance shall be equivalent to $2\frac{1}{2}$ per cent. of the realisation multiplier after the same has been adjusted, if necessary, in accordance with (a) to (e) above.

(ii) The allowance shall apply to the weight of grey yarn *only* from which the cloth is woven. Any scoured, bleached, dyed, printed or mercerised yarn used in the manufacture of cloth should be excluded from this allowance.
